HOPE-NINGS

Come join us as we continue our Missional conversation. The curriculum guiding this study will be the book *Introducing the Missional Church*. We will be meeting at 9am in Classroom D.

"Proverbs 16:9 In his heart man plans his course, but the LORD determines his steps."

Life isn't always what we expect. We grow up with big dreams and great expectations for our lives. But what happens when our expectations don't align with God's expectations? What happens when life gets messy and our plans aren't working out how we expected them to? Great Expectations! 2012 is a one day conference for women in their 20's and 30's from all walks of life who want to rediscover GOD's dream for them! It is for women who want to get real with their expectations so they can get real with their life. This conference will captivate the hearts of women through worship, main sessions, and breakout sessions. Great Expectations! 2012 will feature Leslie Yeaton Koepke, an internationally known speaker with a passion to inspire people to reach their potential, as the main speaker. Bob Karwowski, a passionate worship leader, will be leading worship.
