

## Good morning and welcome to Hope Community Church!

Thank you for your interest in our church and more importantly your interest in spiritual things. We at Hope are a diverse collection of people who have been drawn together by the hope of finding a deeper and more meaningful life. If this is your first time visiting with us, please stop by the Welcome Center and pick up a welcome bag.

Enclosed in this welcome bag you'll find lots of helpful information that explains the things we do to help us along the way. If you have a specific question or comment please don't hesitate to contact us!
