

## Good morning and welcome to Hope Community Church!

Thank you for your interest in our church and more importantly your interest in spiritual things. We at Hope are a diverse collection of people who have been drawn together by the hope of finding a deeper and more meaningful life. If this is your first time visiting with us, please stop by the Welcome Center and pick up a welcome bag.

Enclosed in this welcome bag you'll find lots of helpful information that explains the things we do to help us along the way. If you have a specific question or comment please don't hesitate to contact us!

# HOPE-NINGS

Looking to connect with others? Please consider joining us at 9am in room 1 for a chance to meet and get to know others here at Hope. There is also a class that meets in room 4 where the discussion will be centered around the book "When Helping Hurts".

If you are new to Hope, or even if you've been coming for a while, and are interested in learning more about our church, then join us Oct 7, 14, and 21 for "About Hope." This will be an opportunity to learn about Hope's history, our core values, philosophy of ministry, our mission and the Evangelical Free Church denomination! It will be a great opportunity to meet ministry leaders and connect with others who have recently begun attending Hope. If interested in membership, this class is a prerequisite. We will be meeting at 9am in the kitchen.

The first night of Awana is Sept 19th. Registration will be available after church today and on Wednesday night as well. **Awana is still in need of leaders and a game director.** If this is something that you are interested in, please see someone today at the Awana table in the lobby.

On Sunday mornings, from 9-10am, there will be a Worship and Technology Training class in the loft. The class is open to worship leaders, musicians, vocalists, technology support persons and those who are interested in worship/technology ministry. We will be viewing training DVDs geared to helping us become excellent in what we do. Topics will include Music Styles, Leading Worship, Acoustic Guitar, Electric Guitar, Vocals, Worship Workshop, Live Audio Basics. See the easel in the lobby for upcoming topics. For more information, contact Dennis Bartch (717) 252-2783, [bartches@comcast.net](mailto:bartches@comcast.net).

**Women of Hope** are invited to join us for an evening Bible study. We will meet on Tuesdays, Sept. 18 - Dec. 4, from 7:00 - 8:30pm, at the church in room 2. (Childcare is not provided). In this study we will be using "Guidance and God's Will", (\$8). Please sign up in the lobby or call Marj Stoddard, 367-2248 or Tracy Radcliffe 367-4885, for more information.
