Thank you for your interest in our church and more importantly your interest in spiritual things. We at Hope are a diverse collection of people who have been drawn together by the hope of finding a deeper and more meaningful life. If this is your first time visiting with us, please stop by the Welcome Center and pick up a welcome bag.

Enclosed in this welcome bag you'll find lots of helpful information that explains the things we do to help us along the way. If you have a specific question or comment please don't hesitate to contact us!

Teaching to Change Lives is a class taught by David Watson using Andy Stanley's book "*Communicating for a Change*". From Andy's book we will discover that teaching God's word is all about seeing lives changed by Christ. If you have a passion to teach God's word and communicate in a way to better see God change lives, please join our three month class held at the Watson's house starting Sunday morning October 28 at 9:00 AM. An early morning class also meets during the week. If that fits your schedule better, let David know.

Looking to connect with others? Please consider joining us at 9am in room 1 for a chance to meet and get to know others here at Hope. There is also a class that meets in room 4 where the discussion will be centered around the book "When Helping Hurts".
