## prayer requests

*The Merlos would appreciate prayer for Avery who had another seizure the end of May. Pray as they now have to change his medication that they would find the right one.*

*Cliff and Sandy Barr's daughter Steph, has a disability hearing scheduled for August 13th for chronic migraines.*

*Mary Koenig's mom was in the hospital last week for an irregular heart beat, and Ron started a new job this past week.*

*Jaime Plank's sister who has just had a nodule found on her thyroid and is very anxious awaiting the doctor's plan.*

*And for Bev Kelly as she walks with a friend, Ruth, who recently had open heart surgery.*
